

Message from Jacqui

Welcome to Term 3, and what a fabulously busy term it is shaping up to be.

Firstly, I would like to welcome Donna and Georgia to our staff. We are very excited to have you joining our team; sharing your skills and passion for learning with our students. Donna will be supporting our students in Quip Quip from Wednesday– Friday and Georgian will be supporting the students in Bunjil every day.

CHPS is committed to supporting the learning journeys of each child through the provision of a range of rich learning experiences. Here is a quick look at just a few of the experiences we have planned this term; skilling, exploring Aboriginal Culture and influential people in Inquiry, learning about the textile industry in Art, a smoking ceremony, a range of PE incursions, and much more.

This week we also begun to offer students the opportunity to participate in private tennis lessons on Wednesdays. This is in addition to the instrumental music lessons which are offered on Tuesdays. Research tells us that both movement and music support the neurological development of children and as such these programs provide additional learning opportunities for our students.

Term Three
15th July, 2022

2022 Term Dates

Term 3 –11th July -

16th September

Term 4 - 3rd October -

20th December

Students were very excited today to be given a menu from Dark Horse, as we will be beginning weekly lunch orders. Please see the details which are included in this newsletter, are on Sentral and have been sent home in students bags.

Next Friday we have a group of students heading to Lake Mountain for a skiing lesson, what an amazing opportunity. Rug up and have a great time!

Policies

Our child safe policies have been updated along with a number of other school policies. Parents are able to view these policies on our website, on Sentral (under documents) and they are also available from the office upon request. I would encourage all families to take the time to familiarize themselves with the school policies.

Car Park

A reminder to take care when driving in and around our school, particularly in the car park area. There have been a number of reports of cars entering this space at speed. Please take care for the safety of everyone.

Transition for Prep 2023

Our Transition program begins on Friday 29th July. If you have a child beginning school in 2023 please encourage them to book a school tour or register for a 'Stepping Stones' session.

Our first week back and we had a look at the term ahead. What do you know about the Circular Economy? We found out all about it this week. The younger students had a look at what they could reduce, reuse and recycle in their daily lives to help get into the idea of the circular economy. We danced along to the reduce, reuse and recycle song and had a bunch of fun learning about exactly what each of these words mean. In the middle years we investigated the difference between finite and renewable resources and why it is important to use both of these as efficiently as possible. It was great to see everyone again and we look forward to another amazing term!
