25th July, 2025 - Term 3 - Week 1

Principal's Message

Welcome back to all our families and students to Term 3. This term is a rather short term with only 9 weeks!

Again, we have some great learning experiences planned for our students and quite a few events taking place including our trip to the snow, Science Week, Book Week, Kaboom Sport, Swimming, Footy Day and a Crazy Hair Day!!

I would like to thank our parents and children for volunteering their time over the holidays to assist with looking after our chickens. They are now thriving in their coup and growing quickly. Whilst we are still waiting to find out exactly how many hens we have, they all seem to be getting along well and enjoying their new and exciting enclosure.

Our maintenance work is nearly completed. They have fitted new window screens and doors to our Shelter In Place and are working on the undercover area at the back of Bunjil. Our students are very settled in Quip Quip and will remain there until the end of the year. We have set up our library space to cater to our playgroup families which come on a Wednesday. Playgroup will be back in week 3 (6th August).

We are all looking forward to another term full of learning, fun and new experiences!

Parent Teacher Interview

Semester One reports were uploaded to Sentral at the end of last term. We are offering Parent Teacher Interviews to our families to discuss the reports and their child's/children's progress. If you would like to arrange a meeting, please let us know via the office (Jodie). Times will be available next week after school on Monday, Tuesday and Wednesday.

NAPLAN Results

NAPLAN results for those students who took part have gone home today with information for parents and carers about how to read individual student reports. We should be very proud of our students who took part as they all did exceptionally well. Please do not hesitate to speak with me if you had any questions.

GLASSES For Kids Program

The Department of Education is delivering a FREE program for our students P-4 for qualified optometrists to visit our school and offer your child/children initial vision screening and further testing if needed including GLASSES at NO COST. All screening and testing sessions will be completed during school hours. I will be sending home today consent forms and information.

Maria Parks
Principal
