World Cleaners Day

Last week was World Cleaners Day, which was a great opportunity for the students and staff to share their gratitude to Joe for all the work that he does to keep the school clean. All the students were excited to create a special card and gift for him to share their thanks.

Principal's Message

I can't believe how quickly the past 3 weeks have gone. I want to thank everyone for making me feel so welcome here at CHPS. The community here is incredibly supportive and connected, which is truly something to be proud of. I've really enjoyed being in the classroom and witnessing the amazing work the students are doing. Svetlana, Megan, Jodie, and Debbie do a fantastic job supporting the students, and they are joined by Sue, Chan, and Jayden in ensuring the school continues to thrive. Everyone plays a vital role in helping the school be its best. This collective effort not only contributes to the students' growth but also strengthens their sense of belonging within your lovely school. I've consistently seen the school values demonstrated and shared by everyone I've met and worked alongside. It has been a privilege to be part of such a dedicated and caring community.

I know Maria will be pleased to return next week, and I'm sure that she will share some of her amazing travel stories with you all. 😊

Take care of yourself and each other.

Kelly Deacey
Acting Principal
